Intro to Watersports

The Intro to Watersports Camp is the perfect camp for *grom* campers (6-8 years old) looking to ease their way into the world of watersports. With lower camper-to counselor ratios, and a variety of different water contact experiences, younger campers are sure to enjoy their first camp experiences. Intro campers will learn about the ocean's creatures and currents, while spending the morning sessions playing fun beach games, learning how to kayak, and boogie boarding. This is a great option for younger campers who want a variety each day or just want to become more comfortable on and around the water!

Full-Day Camp: \$350
(Includes Afternoon Multisport Camp)

Half-Day Camp: \$240
(Available mornings only)

What is a grom?

At The Watersports Camp, campers ages 6-8 are affectionately referred to as "*groms*," a term borrowed from surf culture to describe a young surfer. Our goal is to give groms a safe and fun environment to learn and develop a love for watersports. In order to make their experience more enjoyable, *groms* are given special attention and are supervised at a lower camper-to-counselor ratio.

LA JOLLA FESTIVAL OF THE ARTS™

Torrey Pines Kiwanis Club is proud to sponsor inclusion at The Watersports Camp with funds raised by the La Jolla Festival of the Arts, being held June 20-21, 2015. More information at lajollaartfestival.org.

The Mission Bay Aquatic Center is a regional boating safety center as part of a program funded by the California State Parks Division of Boating and Waterways.
